❯ PORTÉGÉ Z10t-A-102

ADAPTS AS OFTEN ASYOU DO
With a powerful laptop and high-performance tablet in one device, the 29.5 cm (11.6") Portégé Z10t-A Ultrabook™ from Toshiba adapts to any professional's changing needs. It's made for business, so you can use it as a laptop to type emails on the way to a meeting, and then click into tablet mode to make notes when you get there. The latest Intel Core processors for Ultrabook™ will give you all the power you need to cut through your workload, in or out the office. And because it runs Windows 8 Pro, you can rely on an intuitive experience, whether you're using the touchscreen, touchpad or keyboard. All of these flexible functions can be found in one travel friendly device, which comes with Accupoint navigation and the optional pen to help you work more precisely. And as the Z10t-A also has the latest high-performance components and a full set of ports, it can adapt as often as you do.

* Spill-resistant keyboards help protect your data from accidental spills up to 30 ml, allowing you 3 minutes shut down time to save your data.
** Pen included with selected models only.

Model	Part No. EAN Code	List Price incl. VAT
Portégé Z10t-A-102	PT131E-00500US4 4051528083163	1799

Specification	
Processor / Technology	3rd generation Intel® Core™ i5-3339Y Processor with Intel® Turbo Boost Technology 2.0 (1.50/2.00 GHz Turbo, 3 MB shared L3 cache, FSB 1600 MHz, SDP 7W)
Chipset	Intel® HM76 Express Chipset
Operating system	Windows 8 Pro 64-bit (pre-installed) (German, French, Italian, English)
Display	29.5cm (11.6")Toshiba IPS FullHD non-reflective High Brightness touch display with Wide View Angle, Digitizer and Pen, 16 : 9 aspect ratio, LED backlighting, hardened IOX Glass, Anti Fingerprint and Anti-Reflective Coating Maximum number of colors: 16.7 million, High brightness: 300 cd/m², internal resolution: 1,920 x 1,080
Hard disk	128 GB SSD (Solid State Drive) SATA
System memory	4 GB onboard DDR3 RAM (1600MHz), maximum expandability: 4GB DDR3 RAM
Optical drive	No ODD
Graphic adapter	Intel® HD Graphics 4000, up to 1,771 MB shared memory with 4 GB system memory installed, (with pre-installed 64-bit operating system)
Keyboard	87 keys, 19 function keys, Euro Keys, Windows® keys, Detachable backlit keyboard
Pointing device	Touchpad with multi-touch control supporting various scroll, zoom and launch functionalities at your fingertips, AccuPoint™, Capacitive touch display 10 points multi-finger support
Wired communication	Gigabit Ethernet LAN (10BASE-T/100BASE-TX/1000BASE-T)
Wireless communication	Wireless LAN (802.11a/g/n) and Bluetooth® 4.0 + LE
Sound system	built-in stereo speakers, enhanced by DTS® Studio Sound™, via Volume Up/Down buttons
TV-Tuner	No
Interfaces	**Tablet:** micro HDMI-out,1x USB3.0 (right), external Headphone (stereo) / Microphone combo socket, built-in microphone (with Echo and Noise Cancellation), SD™ Card Reader (supports SD™ Card up to 2 GB, miniSD™/microSD™ Card with adapter up to 2 GB, SDHC™ Card up to 32 GB, SDXC™ Card up to 64 GB with UHS-I), integrated 3.0 MP web camera with Auto Focus (rear) and 1.0 MP web camera with Ambient Light Sensor (front) **Keyboard:** RGB-out, HDMI-out (full size), 1x USB2.0 (left), RJ-45
Expansions	Toshiba Mobile Tablet Cradle (optional), no memory slots
AC Adapter	Autosensing AC adapter (100/240 V) for worldwide usage
Battery	Technology: lithium-ion, 6 cell (3460), maximum life up to 5h00min (Mobile Mark™ 2012)
Bundled Software* * subject to change	DTS® Studio Sound™, Microsoft® Office 2013 (1 month trial for new Microsoft® Office 365 customers), McAfee® Internet Security (includes complimentary 30 day subscription), TOSHIBA Desktop Assist, TOSHIBA Display Utility, TOSHIBA Eco Utility™, TOSHIBA Function Key, TOSHIBA Media Player by sMedio TrueLink+, TOSHIBA PC Health Monitor, TOSHIBA System Settings

❯ PORTÉGÉ Z30-A-12T

HIGH PERFORMANCE GOES ULTRA-MOBILE

With an ultra-thin, premium design that travels light and is professional through and through, the high-performance 33.8 cm (13.3") Toshiba Portégé Z30-A was made to keep business moving. A long-lasting battery and 4th-generation Intel® Core™ processor for Ultrabook™ will help you power through the working day - while the ultra-light form and full-size ports give you all the flexibility you need on the go. The Z30-A's ultra-durable magnesium chassis has been rigorously drop- and spill-tested by the independent German test institute, TÜV Rheinland®. And because it also comes with high-level security and manageability technologies, your business-critical data will be protected along the way too. Our latest business line-up features the same design, docking, software image and many other common features too. So you can be sure of a consistent, compatible and customisable solution right across your company. Built to perform and designed to move, the high-performance Portégé Z30-A was made to be ultra-mobile.

› PORTÉGÉ R30-A-10R

LIGHTWEIGHT MOBILITY. NO-COMPROMISE PERFORMANCE
Tired of trade-offs with lightweight laptops? At just 1.5 kg, the Toshiba Portégé R30 tips the scale like an ultra-portable, but packs a punch like a heavyweight. Toshiba put in many things left out of other lightweight computers, such as a DVD drive and a wide range of full-size ports. That's because we know you might just need your Ethernet port in the office, or USB 3.0 ports on the road. And with both VGA and HDMI, you'll be ready for all presentation settings. Intel® Core™ processors give you great performance and save energy at the same time. But not only does the R30 pack a punch, it can take one, too. That's thanks to the magnesium chassis that has been reinforced with the proven Toshiba honeycomb internal structure and rigorously tested for drops and spills by independent German institute, TÜV Rheinland. The robust build is supplemented by an extensive list of manageability, security and investment-protection features designed to keep data safe, avoid downtime and lower cost of ownership. The lightweight, no-compromise Portégé® R30 will delight users and IT managers alike.

Model	Part No. EAN Code

❯ PORTÉGÉ R30-A-10H

LIGHTWEIGHT MOBILITY. NO-COMPROMISE PERFORMANCE

Tired of trade-offs with lightweight laptops? At just 1.5 kg, the Toshiba Portégé R30 tips the scale like an ultra-portable, but packs a punch like a heavyweight. Toshiba put in many things left out of other lightweight computers, such as a DVD drive and a wide range of full-size ports. That's because we know you might just need your Ethernet port in the office, or USB 3.0 ports on the road. And with both VGA and HDMI, you'll be ready for all presentation settings. Intel® Core™ processors give you great performance and save energy at the same time. But not only does the R30 pack a punch, it can take one, too. That's thanks to the magnesium chassis that has been reinforced with the proven Toshiba honeycomb internal structure and rigorously tested for drops and spills by independent German institute, TÜV Rheinland. The robust build is supplemented by an extensive list of manageability, security and investment-protection features designed to keep data safe, avoid downtime and lower cost of ownership. The lightweight, no-compromise Portégé® R30 will delight users and IT managers alike.

Available from February 2014

Model	Part No. EAN Code	
Portégé R30-A-10H (AMT)	PT341E-001018S4 4051528113358	1699

Specification	
Processor / Technology	4th generation Intel® Core™ i5-4300M vPro™ processor with Intel®Turbo Boost Technology 2.0 (2.60/3.30 GHz Turbo, 3 MB shared L3 cache, 1.600 MHz FSB)
Chipset	Mobile Intel® QM87 Express Chipset
Operating system	Windows® 7 Professional 64-bit (pre-installed) and Windows 8.1 Pro 64-bit (on DVD) (German, French, Italian, English)
Display	33.8cm (13.3") Toshiba HD non-reflective High Brightness eDP™ display with 16 : 9 aspect ratio and LED backlighting, internal resolution: 1,366 x 768, Maximum number of colors: 16.7 million, High brightness: 300 cd/m²
Hard disk	128 GB SSD (Solid State Drive) mSATA
System memory	8 GB onboard DDR3L RAM (1600MHz) maximum expandability: 16GB DDR3L RAM
Optical drive	Slim DVD Super Multi (Double Layer) drive Read: 24x CD-ROM, 8x DVD-ROM Write: 24x CD-R, 4x CD-RW, 10x HS CD-RW, 16x US CD-RW, 8x DVD-R, 6x DVD-R (DL), 6x DVD-RW, 8x DVD+R, 6x DVD+R (DL), 8x DVD+RW, 5x DVD-RAM
Graphic adapter	Intel® HD Graphics 4600, up to 1,696 MB shared memory with 4 GB system memory installed, (with pre-installed 64-bit operating system)
Keyboard	Black matt tile keyboard with Dual Pointing Device: 87 keys, function keys, Euro Keys, Windows® keys
Pointing device	Toshiba Dual Pointing Device (consists of integrated AccuPoint™ II and Touch Pad)
Wired communication	Gigabit Ethernet LAN (10BASE-T/100BASE-TX/1000BASE-T)
Wireless communication	Intel® Wireless LAN 802.11ac + a/b/g/n and Bluetooth® 4.0, Intel® Wireless Display
Sound system	built-in stereo speakers, enhanced by DTS® Studio Sound™, volume dial: by hot key function
TV-Tuner	No
Interfaces	DC-in, external monitor (VGA), combined headphone/ microphone, docking-connector to HSPR III 120W, RJ-45, 3x USB 3.0 (left one supporting Sleep-and-Charge), SD™ Card Reader (supports SD™ Card up to 2 GB, miniSD™/microSD™ Card with adapter up to 2 GB, SDHC™ Card up to 32 GB, SDXC™ Card up to 128 GB and MultiMedia Card™ up to 2 GB), integrated 0.9MP HD Web Camera (1,280 x 720) with built-in stereo microphone, HDMI-out (left), Smart Card reader
Expansions	Docking to Hi-Speed Port Replicator III 120W (optional), 1 memory slots (0 Slot free)
AC Adapter	Autosensing AC adapter (100/240 V) for worldwide usage
Battery	Technology: lithium-ion, 6 cell (6200) battery, up to 9 hours (Mobile Mark™ 2012)

SEE MORE, DO MORE, ACHIEVE MORE

With the super thin and light Tecra Z50-A laptop, you can see more on the 39.6 cm (15.6") non-reflective screen, do more with powerful Intel® Core™ processors - and achieve more using dongle-free connectivity. Weighing under 1.8 kg, with a clean design and long-lasting battery, the Z50-A can easily be used in and around your office for all-day productivity. You can rely on the strong magnesium chassis for durability and the full-size ports for convenience. So, whether you're sharing a presentation on an external HD monitor or populating a spreadsheet at your desk, the Tecra Z50-A is ultra-responsive and performs at speed. You can even connect to all of your peripherals just when you need them, using the optional docking station. As well as dedicated docking, our latest business line-up also features the same design, software image and many other uniform features - for compatible IT solutions that you can implement across the business. With improved features plus high-level security and manageability technologies, you can always see more, do more, and achieve more with the Tecra Z50-A.

The 39.6cm (15.6") Tecra A50-A laptop from Toshiba was made for business. And because it has a robust design as well as advanced productivity features, you know you're getting all-round efficiency - inside and out. The latest model in the established Tecra series has plenty to offer every kind of busy professional. Especially if you need a faster performance to make multi-tasking easier. Or a full set of ports to help you work more effectively, in or out the office, including USB 3.0 for faster data transfer. It also has an ultra-durable chassis and a range of security features to cope with the physical challenges of everyday life, and help keep your sensitive data safe. The Satellite Pro A50-A is professional, through and through. So while it's efficiently going about its business, you can too.

Model	Part No. EAN Code	List Price incl. VAT
Tecra A50-A-15X (AMT)	PT645E-00H00NS4 4051528112931	1149

Specification	
Processor / Technology	4th generation Intel® Core™ i5-4300M vPro™ processor with Intel®Turbo Boost Technology 2.0 (2.60 / 3.30 GHz Turbo, 3 MB shared L3 cache, 1.600 MHz FSB)
Chipset	Mobile Intel® HM86 Express Chipset
Operating system	Windows® 7 Professional 64-bit (pre-installed) and Windows 8.1 Pro 64-bit (on DVD) (German, French, Italian, English)
Display	39.6 cm (15.6") Toshiba HD non-reflective High Brightness display with 16 : 9 aspect ratio and LED backlighting Maximum number of colors: 16.7 million, High brightness: 200 cd/m² resolution: 1366 x 768
Hard disk	500 GB S-ATA (7200 rpm)
System memory	4 DDR3L (1.600MHz) maximum expandability: 16 GB DDR3L RAM
Optical drive	DVD Super Multi (Double Layer) drive Read: 24x CD-ROM, 8x DVD-ROM Write: 24x CD-R, 4x CD-RW, 10x HS CD-RW, 16x US CD-RW, 8x DVD-R, 6x DVD-R (DL), 6x DVD-RW, 8x DVD+R, 6x DVD+R (DL), 8x DVD+RW, 5x DVD-RAM
Graphic adapter	Intel® HD Graphics 4600, up to 1,696 MB shared memory from 4 GB system memory installed (with pre-installed 64-bit Windows® operating system)
Keyboard	Black tile keyboard and 10-digit numeric keypad: 102 keys, function keys, Euro Keys, Windows® keys
Pointing device	Toshiba Dual Pointing Device (consists of integrated AccuPoint™ II and Touch Pad)
Wired communication	Gigabit Ethernet LAN (10BASE-T/100BASE-TX/1000BASE-T)
Wireless communication	Intel® Wireless LAN (802.11ac+a/b/g/n), Bluetooth® 4.0 + LE, Intel® Wireless Display
Sound system	built-in stereo speakers, enhanced by DTS® Studio Sound™, volume dial: by hot key function
TV-Tuner	No
Interfaces	DC-in, external monitor (VGA), external microphone shared with headphone socket, docking-connector to HSPR III 120W, RJ-45, 2x USB3.0 (Left), 2x USB2.0 (Right), 1x eSATA/USB 2.0 supporting USB Sleep-and-Charge (Left), **miniSerial**, DisplayPort, Multi-Card Reader supports (SD™ Card up to 2 GB, miniSD™/microSD™ Card with adapter up to 2 GB, SDHC™ Card/microSDHC™ Card with adapter up to 32 GB, SDXC™ Card/microSDXC™ Card with adapter up to 128 GB, MultiMedia Card™ up to 2 GB), integrated 0.9MP HD Web Camera (1,280 x 720) with built-in microphone
Expansions	Docking to Hi-Speed Port Replicator III 120W (optional), SmartCard Reader, 2 memory slots (1 Slot free)
AC Adapter	Autosensing AC adapter (100/240 V) for worldwide usage
Battery	Technology: lithium-ion, 6 cell - 6000, maximum life up to 6h30min (Mobile Mark™ 2012)
Bundled Software* * subject to change	DTS® Studio Sound™, Microsoft® Office 2013 (1 month trial for new Microsoft® Office 365 customers), McAfee® Internet Security (includes complimentary 30 day subscription), TOSHIBA Eco Utility™, TOSHIBA PC Health Monitor
Bundled Hardware	AC Adapter, AC Power cable, miniSerial to Serial cable, TOSHIBA Manual
Special Features	SM BIOS compliant, Enhanced Intel® SpeedStep® Technology, HD Audio supporting, ENERGY STAR 5.0 qualified computer; miniSerial
Toshiba EasyGuard* *depending on configuration	Finger print Reader, Bluetooth®, DisplayPort, Diversity Antenna, Intel® Wireless Display, Video over IP ready, Voice over IP ready, Wireless LAN (802.11b/g/N), 10-Digit Numeric Keypad, AccuPoint™ Mouse pointer, Dynadock 'USB Port Replicator' (optional), Eco Utility, Multi-Touch Touchpad, Non Reflective Screen, PC Health Monitor, Port Replicator (optional), Toshiba Power Saver Utility, Toshiba TEMPRO Performance Tuning Service, Virtualization Technology, Data Backup, Easy Fix Components, HDD Protection and 3D accelerometer, Kensington Lock, Optical Drive Auto Lock, PC Diagnostics, Durable Design, Spill-resistant Keyboard, Shock Protection Design, Antivirus Software, Computrace® enabled BIOS, Advanced Encryption (TPM), Execute Disable Bit (XD-Bit), Intel® Anti-Theft, Password Utilities, Toshiba Device Access Control (on request), Toshiba Security Assist

❯ SATELLITE PRO NB10t-A-109

VERSATILITY WITH ADDED USABILITY

Fully-featured, light in weight and compact by design, the user-friendly Satellite NB10-A is ideal as an affordable secondary device or first Windows 8 laptop for children or students. The 29.5 cm (11.6") screen offers plenty of working space too - making the ultra-portable NB10-A as functional as it is handy for both adults and children. With an optional touchscreen* to get the most out of Windows 8, the Satellite NB10-A is instinctively easy to use - whether it's to create content or simply be entertained by a range of multimedia. This cost-effective laptop is powered by the latest Intel® processors too, and comes with a spacious 500 GB HDD and full keyboard for flexible storage and added convenience. A range of full-size ports and dongle-free connectivity means there's no need for special cables or adapters either. Experience value-added versatility and action-packed usability with the Satellite NB10-A.

Model	Part No. EAN Code	List Price incl. VAT
Satellite Pro NB10t-A-109	PU143E-004010S4 4051528107876	599

Specification	
Processor / Technology	Intel® Pentium® N3510 processor (2.00 GHz, 2 MB shared L3 cache, FSB 1333 MHz)
Chipset	-
Operating system	Windows 8 64-bit (pre-installed) (German, French, Italian, English)
Display	29.5cm (11.6") Toshiba TruBrite® HD TFT High Brightness touch display with 16 : 9 aspect ratio and LED backlighting Maximum number of colors: 16.7 million, High brightness: 200 cd/m², internal resolution: 1,366 x 768
Hard disk	500 GB (5400rpm) SATA
System memory	4 GB DDR3L RAM (1600MHz), maximum expandability: 4GB DDR3L RAM
Optical drive	No ODD
Graphic adapter	Intel® HD Graphics, up to 1,748 MB shared memory from 4 GB system memory installed (with pre-installed 64-bit Windows® operating system)

❯ SATELLITE PRO C70-A-14X

SEEING IS ACHIEVING
You can see more on a 43.9 cm (17.3") wide screen. So naturally you can do more. And because it's a non-reflective HD+ display with LED backlighting, you can focus on every detail of your essential office tasks. But what goes on behind the scenes of the Satellite Pro C70-A is just as important. Toshiba reliability runs through every inch of this business laptop. And with the latest generation Intel processors and extended connectivity options onboard, you can power through every process at speed.

NEW MODEL

STIMULATE YOUR SENSES

The Satellite P50-B series is ready to awaken your senses. See every razor-sharp detail on the large 39.6 cm (15.6") Ultra HD 4K display* - with a stunning 3840 x 2160 resolution and delivering unbelievable 282 pixels per inch . It's a truly eye-opening experience, and a naturally expressive and accurate one too, thanks to true-to-life calibration by Chroma Tune™ and certification by Technicolor. As there's a Satellite P50-B for every taste, you can also opt for a Full HD 1080p IPS display*. Or take control through the power of touch* to get the most out of Windows 8.1. You can feel the pure performance of an Intel® Core™ i7 Quad Core processor with Hyper-Threading Technology and AMD Radeon™ R9 M265X enthusiast graphics with 2GB GDDR5 VRAM. And hear impressive sound through premium Harman Kardon® stereo speakers tuned with DTS Sound™. Plus, there's all the state-of-the-art connectivity and communication you could need, in and around the smart silver aluminium body. Stimulate your senses with Satellite P50-B laptops from Toshiba.

STYLE MEETS STRENGTH

Why choose between elegant design and extreme power? Satellite P50-A 39.6cm (15.6") laptops offer the ultimate in both - head-turning style with the strength to meet the highest demands. Beneath its sleek, modern finish, the latest Intel® Core™ processors with Quad Core support easily take the strain of heavy loads. NVIDIA® highest performance graphics deliver high quality at speed too, so you get a smooth, fast performance - whether you're juggling different tasks, playing a graphics-rich PC game or editing large video files. With Ultra HD* support via HDMI, you can enjoy your video content in super high definition on your Ultra HD capable TV. And if you're a movie or music fan, you can immerse yourself in every detail, with DTS® Studio Sound™ and the stunning quality of harman kardon® speakers. It's all of your favourite entertainment, at your command. You can even stream and share it to your Wi-Fi Certified devices without the need for a network connection. All with the strength of a laptop that's beautifully styled. Some models also come with a 10-point touchscreen*, which puts instinctive touch control at your fingertips.

BIG, BEAUTIFUL PERFORMANCE
Who says you have to choose between big-screen power and beautiful design? The Satellite P70-A series has it all. Beneath its smart, modern finish, the brilliantly clear 17.3" Full HD* or HD+* widescreen display brings the cinema screen to you, so you can enjoy your movies in stunning detail. The latest Intel® Core™ processors with Quad Core support easily meet the highest computing demands. NVIDIA® highest performance graphics deliver high quality at speed too, so you get a smooth, fast performance - whether you're juggling tasks, playing a graphics-rich PC game or editing large video files. You can even enjoy your video content in super high definition on a bigger screen, with Ultra HD support via HDMI for your Ultra HD capable TV. And if you're a movie or music fan, you can immerse yourself in every rich detail through DTS Studio Sound™and the stunning quality of Harman Kardon® speakers. Or stream and share your favourite content to your Wi-Fi Certified devices without the need for a network connection. All from a big-screen laptop that performs beautifully.

NEW MODEL

BIG, BEAUTIFUL PERFORMANCE

Who says you have to choose between big-screen power and beautiful design? The Satellite P70-A series has it all. Beneath its smart, modern finish, the brilliantly clear 17.3" Full HD* or HD+* widescreen display brings the cinema screen to you, so you can enjoy your movies in stunning detail. The latest Intel® Core™ processors with Quad Core support easily meet the highest computing demands. NVIDIA® highest performance graphics deliver high quality at speed too, so you get a smooth, fast performance - whether you're juggling tasks, playing a graphics-rich PC game or editing large video files. You can even enjoy your video content in super high definition on a bigger screen, with Ultra HD support via HDMI for your Ultra HD capable TV. And if you're a movie or music fan, you can immerse yourself in every rich detail through DTS Studio Sound™and the stunning quality of Harman Kardon® speakers. Or stream and share your favourite content to your Wi-Fi Certified devices without the need for a network connection. All from a big-screen laptop that performs beautifully.

QOSMIO X70-A-12N

SERIOUS GAMER

The 43.9cm (17.3") Qosmio X70 packs the power to satisfy the most hardcore gamers. Rip through the levels with effortless ease, propelled by the latest Intel® Core™ processors with Quad Core CPU support. Catch every millisecond of the frantic action as the NVIDIA® GeForce® GTX 770M enthusiast graphics with 256-bit broadband and 3GB GDDR5 of display memory churns out mind-bending graphics performance. Keep playing longer, with NVIDIA® Optimus™ technology that stretches out battery life to the max. You'll be looking coolest in the tournament with the Qosmio X70's sleek dark silver design and red backlit keyboard. And when the game's done, kick back and chill out with sensational sound and video performance. Sharp, super-real images come courtesy of a LED backlit Full HD display, while the harman kardon® 4-speaker built-in sound system wraps the soundscape of 6W music output around you. Or put your movies up on the big screen in high-def with the Qosmio X70's HDMI out and Blu-ray RE (with BDXL support) will let put up to 128GB on a single disc.

❯ EXCITE WRITE AT10PE-A-104

EXPLORE YOUR CREATIVITY
When is a tablet more than a tablet? When it's a fully-featured creative pad that offers all the inspiration you need to excite your senses. It's the power of a Quad Core NVIDIA® Tegra® 4 mobile processor, combined with the quality of a super high resolution PixelPure display and special Toshiba Digitizer Pen. So you can write by hand - at speed and with complete accuracy - on the 10" capacitive touchscreen. Just like you do with a pen and paper. Or take a quick snapshot to capture your whiteboard notes. And once you have your digital content, add it to an office document for editing, sharing or saving using ThinkFree Office 6.0. It's perfect for your productivity too. So you can shoot and edit your photos, sync your data, or create documents and presentations with ease. The optional Toshiba Keyboard Cover* offers full keyboard functionality and system protection in one, so you can always be more efficient - wherever you are. And with the speed of Android 4.2, Jelly Bean, plus a longer battery life and hard-wearing Corning® Gorilla® Glass display, you can rely on an incredible performance all day, every day. Explore your creativity with Excite Write.
